

PROPERTY LAND USE & RATING CATEGORY OBJECTION

The Differential General Rates levied by Council, are based on the primary use of the property assessment and grouped into various Land Use categories. Should you have any reason to believe that the Land Use category applied to your property assessment is incorrect, you may lodge a written objection with Council outlining the grounds upon which your objection is based.

Section A: Details of Applicant

Name:

Postal Address:

Telephone:

Mobile:

Email:

Section B: Details of Land

Assessment Number(s):

Property Address:

Primary Use of Property

Section C: Declaration

I hereby object to the land use on my property assessment, with the current details indicated above. I have read and understand the following:-

- rates are still due and payable by the applicable due dates – even if an objection has been lodged
- successful objections may result in the reduction or loss of Rates Capping Rebate
